Sir,

I have the honor to submit herewith for the orders of Government the entire correspondence ending with French Rocks Division Assistant Commissioner's Yadi No 326/3853 dated 30th March 1912 regarding the rent claimed by the Public Works Department on account of the "Rest House" at Manaya which is being used as "Octroi" house

2 It will be seen from the records that the Mandya Municipal Board has been in possession of the building since 13th July 1908, that a Verandah was added to it at a cost of Rs 156/- and necessary repairs executed to the main building the whole cost having been met from Municipal Funds

3 The Chief Engineer in his letter No 10466 dated 17th November 1911 states that the Municipality should pay a monthly rent of Rs 1/8/- from the date of the occupation of the building by the Municipal Board viz, from 13th July 1908

4 The Municipal Council contend that as necessary repairs were executed to the building and a Verandah added to it at their own cost, they are not liable to pay any rent They hold out that the building was in such a dilapidated condition when it came to their possession that it would have completely fallen to the ground if timely repairs had not been executed to it They are of opinion that the building may be purchased for a sum of Rs 50/- which represents

its

its value when it came to the charge of the Municipality, if the building cannot be had free of rent

5 In agreeing with the views of the Municipal Council, I request that Government may be pleased to sanction the proposal of the Municipal Council either to purchase the building or to allow it to use it as "Octroi house" free of rent, in consideration of the heavy expenses incurred for constructing the Verandah and repairing the building

2 It is not possible to allow the Municipality to occupy building free of rent That the municipality added a verandah to building at its cost is no reason why rent should be remitted. The demanded is calculated on the cost of the original building only excluding the verandah added by the Municipality.

With reference to your No 1243 dated the 24th February 1913, I have the honour to report that the value of Rs 50 put on the Rest House at Mandya now used as the Octroi House by the Municipality is not fair.

The land occupied by the building measure 30' by 78' and its area is 260 square yards, at 0-8-0 a square yard, the value of the site itself comes to Rs 130 making liberal allowance for depreciation in the value of materials used in the building, a sum of Rs 100 may be reasonably added to the value of the - site Thus the value of the building is Rs 230 The building is in the centre of the town The value put on it is not high

To

K. R. Srinivasa Iyengar Esquire M. A.
Secretary to Government
General and Revenue Departments.

Sir,

With reference to your letter No 3522/M/183-12-5 dated 11.9.13 re the rest house at Mandya, I have the honor to enclose herein a copy of the resolution of Mandya Municpal council, resolving that the building may be made over to the Municipality for Rs 50 The council are of opinion that the building would not have fetched over Rs 50 if it had not been under the care of the municipality It is urged that the site on which the building stands is within the Municipal limits measuring only 260 square yards, that the present cordition of the building is due to the improvements made to it by the municipality, that the financial cordition of the municipality does not permit the payment of rent every month and that therefore the building may be made over to the municipality for said sum of Rs 50/

The entire correspondence ending with French Rocks Dr Assistant Commissioner's yadi No 173/2341 dated 13 12 13 is herewith resubmitted

I have the honor to be
sir
your most obedient servant
